

## Mike Aiken Reels Them In Hook Line And Sinker

March 9, 2008

"No Fishin' Pole," the recently released single from Northwind/Aspirion Records' Mike Aiken, is getting great reaction and airplay in Europe.

The rootsy song off Mike's JUST ADD SALT CD shot to **#1 On the Hot Disc Independent Top 20** the week of February 28th and was **#4 on the Hot Disc Top 40**.

Mike is in great company sharing chart space with the likes of Gretchen Peters, Hal Ketchum, Rodney Atkins, Lee Anne Rymes and Bon Jovi.

He's in the middle of planning a European tour for the fall months.

Mike is making news on this side of the pond as well.

He found himself on the other side of the spotlight when he was chosen to be one of the judges for a unique Nashville Star audition.

The hit talent show, to be broadcast on NBC this summer, is looking for a contestant from the US Military. Mike judged auditions at the bases in the Tidewater, VA area.

"There's some incredible talent coming off these bases," says Mike. "Look for one of them to make the final Nashville Star cut." "I was really happy to be a part of it."

Other judges included Mike Markure of Takamine Guitars, Mike Breault, Producer of Raceline TV, and Jon Thompson, Pres. & CEO of USO Hampton Roads.
