MIKE AIKEN BRINGS STATIONS  
A BIT OF THE BEACH LIFE DURING RADIO TOUR.**

***For Immediate Release-October 22, 2008***

Call it the making of a new "Rum Line" as Aspirion/Northwind recording artist Mike Aiken set off on a swing through the Midwest bringing his unique blend of country roots rock with a Caribbean flair to cities and towns in America's Heartland.

Mike started his inland tour October 18th with an appearance at the historic Akron Opera House in Akron, Iowa and then set out on a week long trek visiting radio stations in promotion of his single "Find Me" off his new record.

This singer/sailor/songwriter is also helping radio Jock's steer a course to exotic places near and far by giving them one of a kind nautical charts. "Mike, who lives the life most artists just sing about," has been described as a modern day troubadour, making his home aboard his sailboat. He's used the one of a kind signed nautical charts to sail all over the world with his wife Amy on his 42 foot cutter "Ocean Girl".

Mike's also been doing a bit of "Rum Running" on this road trip mixing up a taste of the beach life, serving liquid lunch and breakfast along the way instead of the usual donuts.

"My single "Find Me" is making its way up the radio charts right now," says Aiken. "Since I'm going on a swing through the Midwest and I can't get there by boat, I thought I'd bring a bit of the beach and boat life with me. By bringing my radio friends my nautical charts it should make it easier for them to go coastal, wherever that coast may be. Plus it will be fun to see them try and read a different type of chart, and a little rum never hurt anyone."

"Find Me," is off Mike's new CD ***Hula Girl Highway***. Written by Aiken, the up-tempo melody and light-hearted lyrics will make you want to chuck it all, get out of dodge, and go coastal. And with the nautical charts going coastal should be a little easier.

Not many people get to live life on their terms. But that is exactly what Mike Aiken has been able to do combining his three greatest passions in life, music, sailing and adventure. With **Hula Girl Highway**, Mike's sophomore record for Aspirion/Northwind Records, he continues to cement his place as an authentic voice of a wayfaring lifestyle that most of us will only just dream about.

A modern-day troubadour, Mike's sailed the waters less traveled entertaining people from Canada to the Caribbean and beyond. 2007 saw the release of his Aspirion/Northwind debut **Just Add Salt**.

A believer in giving back, his philanthropic activities include being a sponsor of the Great Chesapeake Bay Schooner Race benefiting the area's environmental interests, as well as founder of the **"Aiken and Friends Music Festival"** which helps fund music education.
